DOCKET NO. 98-038-C - ORDER NO. 2002-210

IN RE: Application of Intellicall Operator Services,) ORDER CANCELLING
Inc. d/b/a ILD for a Certificate of Public) CERTIFICATE AND ✓
Convenience and Necessity to Provide) WITHDRAWING DW.
Intrastate Local Resale Telecommunications) TARIFF
Services within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Intellicall Operator Services, Inc. d/b/a ILD ("ILD") to cancel its Certificate of Public Convenience and Necessity to provide local exchange telecommunications in the State of South Carolina and to withdraw its applicable tariff.

By letter dated March 7, 2002, ILD, through its counsel, advised the Commission that ILD was requesting cancellation of its Certificate to operate as a provider of local exchange telecommunications services within the State of South Carolina and withdrawal of the Company's applicable tariff. ILD's authority to provide local exchange telecommunications services was granted by Order No. 98-287 issued April 22, 1998, and as modified by Order No. 1999-269 issued April 12, 1999. Original certification of authority granted in Order No. 98-287 was issued to Intellical Operator Services, Inc.; and, thereafter, Order No. 99-68 dated January 28, 1999, approved modification of the company name by adding the trade name or "d/b/a" ILD.

As reasoning for its request, ILD states that the Company has never offered or provided local exchange services in the State of South Carolina. Accordingly, the

Company has no customers in South Carolina. To be clear, ILD states further that the Company intends to continue to operate under the authority granted by the Commission in other Dockets and only requests cancellation of its local exchange authority.

As ILD, by its own acknowledgment, is not providing the services for which its Certificate was granted, the Commission finds and concludes that ILD's Certificate of Public Convenience and Necessity to provide local exchange telecommunications services within the State of South Carolina should be cancelled and that the Company's local exchange tariff should be withdrawn.

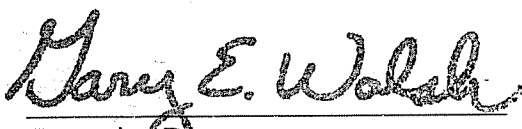

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide local exchange telecommunications services authorized by Order No. 98-287, dated April 22, 1998, and as modified by Order No. 99-269, dated April 12, 1999, issued in the instant docket to Intellicall Operator Services, Inc. d/b/a ILD is hereby cancelled, and the local exchange tariff filed by the Company is withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.
